RECENT OPERATIONS

By Paul Rardin

I had a little chat with Pahokee City Councilman Robert S. Mackey yesterday. He was telling me about his proposed watermelon crop he plans to grow on the sand near Indiantown. He was all hot and bothered about getting 'em planted by Thursday of this week. No other time would do, he said. It had to be Jan. 10. Last year Robert grew some fine water melons on the sand. The largest one weighed a little more than 61 pounds. He laid it aside last year at crop harvesting time and planned to use seed from it for planting purposes this spring. He forgot to tell his wife of his plans. He went about his day's business and upon return that night he found that Mrs. Mackey had given the melon to some neighbor who was having a birthday party for a child. There went Robert's very finest seed. But, he wasn't to be stopped. John has installed the one and used seed from it. So, if all went according to schedule his water melon crop is in the ground at this writing.

I spent some time at the State Market on Wednesday of this week and had a long confab with the market manager, John Dulany. I'm preparing a story about his potato grading outfit which, I think, you will enjoy reading next week. I tell about the new fangled contraption John has installed to wash, grade, and pack potatoes. The machine does everything but talk.

P. P. deMoys, manager of the Florida Power and Light company in Pahokee, who is rounding out a year as head of the Resources Development Board in Palm Beach county, was re-elected a member of the board of directors of that organization in a recent election. Mr. deMoys is the director from Pahokee and his re-election comes as partial reward for the splendid work he has done with the RDB since its inception. Pete's many friends in the Glades will be happy to know that he has been returned to the board for a three year term.

Ten Teams Make Up Net League

The Pahokee City Recreation Department has organized a basketball league composed of ten teams from the elementary school. League games will start this Friday afternoon and will be played hereafter in the gym every Monday, Wednesday and Friday afternoons through the season.

The purpose of the league is to provide wholesome recreation for the children and at the same time enable them to learn the fundamentals and technique of basketball.

The department also is sponsoring a local basketball team composed mostly of returning service men and former high school athletes. The town basketball team will be known as the Ramblers. Any service men's team, YMCA or town team in South Florida that would like to book a game with the Ramblers is asked to get in touch with Steve Brown, city recreation director.

YORK HOTEL IN ATLANTA

Mr. and Mrs. Ira York, former Pahokee residents, are now operating the York Hotel in Atlanta. In order that they may keep up with happenings here where they spent many years, they have ordered The Everglades News sent to them each week.

Savings and Loan Association Has Excellent Report

Despite the fact that building materials have been scarce and hard to get, the Everglades Federal Savings and Loan Association in Belle Glade has shown a healthy growth, both in the amount of money loaned and money invested in savings accounts, according to H. J. Bratley, secretary, in a statement released yesterday.

The assets of the association during the 1945 have increased nearly 43 percent. Mr. Bratley said. Loans increased over last year by 55 percent and money invested in savings accounts has increased 27 percent over a year ago. These investments are insured by the Federal Deposit Insurance Corporation up to \$5,000. The association has paid 3 percent dividends on savings invested in the concern.

Officers and directors of the organization are all Glades men. They are familiar with the Glades area and pass upon loan applications promptly without red tape. They are: C. E. Riedel, president; W. R. Hooker, vice president; A. E. Kirchman, vice president; H. J. Bratley, secretary and treasurer; Herbert D. Beck, attorney.

Fitness Program Is Launched For Pahokee Students

The physical education department of Pahokee high school has launched an all-out post-war physical fitness program, states C. S. (Steve) Brown, director of the department, who is working with Miss Jane Mitchell of the girls' department.

The girls have just finished a term of volleyball and soccer playing while the boys have completed a session of foot ball and soccer.

For the second term of the "physical fitness thru sports" program basketball is in full swing for boys and girls. In addition to basket ball, soft ball and tumbling are other athletic activities being participated in by the students during the second term.

Physical fitness tests are given during each term to each student to determine individual progressiveness or retrogression.

Coach Brown asserts that the diversified physical fitness education program offers sports that are integrated and contributing factor in the total education of the student.

New Tax Roll Is Under Preparation

Preparation of the new tax roll began Jan. 1, according to Tax Assessor Jimmy Owens. All tax returns must be filed in his office on or before April 1. After that date penalty will be added. Mr. Owens recommends early filing of homestead, personal property and intangible tax returns in order to avoid the last minute rush.

Norton Glee Club To Appear In Belle Glade

Knight MacGregor and the Norton Gallery Glee Club will appear in Belle Glade on Monday night, Jan. 28, it has been announced by A. E. Kirchman, who is chairman of the Rotary committee in charge. Pupils of the elementary grades will soon offer tickets for sale for the concert, Mr. Kirchman said.

Mr. and Mrs. Jess Walton left for Tampa Sunday where she will enter St. Joseph hospital there for an operation.

BOTH BLACK AND WHITE

The mobile X-Ray unit scheduled to visit the Glades next week will take care of white and colored TB suspects, according to an announcement by health officials this week. An announcement appearing in another newspaper was misleading, according to the officials in charge of the unit.

J. T. Fuqua Escapes Death in Car Crash

J. T. Fuqua had a miraculous escape from sudden death when his car crashed into a row of trees bordering Canal Point road a short distance north of the U. S. Sugar Corporation railway crossing late Tuesday night of last week. Fuqua, alone, was returning home from the Hickerson packing house when he lost control of the car which was demolished. Fuqua was taken to the local hospital where he was given first aid for a fractured jaw, a severe cut and contusions of the head. Services of a physician could not be obtained until next morning after which he was taken to the Good Samaritan in West Palm Beach. He was able to return home from the hospital this week but still has to take nourishment through a quill and isn't doing much talking.

More Rail Space For Celery Loading

In keeping with the increase in celery acreage in the Pahokee-Canal Point area from 900 to 1,300 acres this season the track loading space at the precooling plant of the Everglades Growers' Cooperative at the state market has been expanded from 14 to 19 cars, according to J. M. Elliott, manager. Ten new cottages have been erected at the market site to house employees, Mr. Elliott said. From 15 to 17 cars of celery are leaving the area daily and shipments will increase as the season advances. Prices at the start of the season averaged \$5 per crate and, though lower now, are still good at \$3 to \$3.50 per crate. Golden heart is the variety being harvested now but the pascal variety will soon be ready for the market.

Mrs. Dottie Tyner and grandchildren, Gertrude and Fred Winne of Chicago, and her son-in-law and daughter, Mr. and Mrs. Harold Bodle of Princeton, N. J., are the house-guests of Mr. and Mrs. C. T. Santee in Canal Point.

Mrs. J. Idelson of Sarasota is staying with her grandchildren, Alfred and Marjorie Kahn, while their parents, Mr. and Mrs. Joe Kahn are away on a business trip to New York City.

Mr. and Mrs. B. F. Kimball, Rufus Kimball and Mrs. Lee Kimball are visiting relatives in Swainsboro, Ga., this week.

Mr. and Mrs. H. J. Anderson and daughter, Mrs. Leon Kistner, spent the week end in West Palm Beach where they attended a Danish New Year's party.

Mr. and Mrs. George Belk had 48 week end guests his brother, Frank Belk of Anderson, S. C., and his cousin, Lt. Hubert Belk, of Fort Lauderdale.

G. W. Snyder returned to his home in Williston, Fla., yesterday after spending several days in Pahokee with his son and daughter-in-law, Mr. and Mrs. Albert Snyder.

The Church of God in Pahokee, Rev. J. M. Gresham, pastor, announces a district fellowship meeting next Monday night, Jan. 14. The public is cordially invited.

Mrs. Sarah A. Barfield, Miss Lulu Barfield, Mrs. Dorothy Kilpatrick and little John Edward returned this week-end from a week's visit with relatives and friends at Christmas and Orlando.

LT. HARRINGTON HOME

Lt. John S. Harrington, Jr., arrived in Canal Point Thursday to spend a 30 day leave with his mother, Mrs. John S. Harrington. Lt. Harrington was in Europe at the time of his father's death several weeks ago. By special arrangement he was granted a leave in order to come home and be with his mother.

Gospel Singers In Canal Point Jan. 12

The Eppley Sisters' Gospel Quintette of Manchester, Pennsylvania, will appear at the Canal Point Baptist Church Saturday evening, January 12th at 7:30 P.M. The five sisters render a deeply spiritual program featuring vocal quintettes, soprano and alto solos, artistic piano playing and numbers on the following instruments: Vibra-harp, Violin, Electric Hawaiian Guitar, Saxophone, accordians, and Cathedral Chimes. Their concert tours have included leading Churches and radio stations in United States and Canada. Thousands have heard this group. Churches have been full and many turned away. The girls have appeared in Churches of 35 different denominations during the past four years. The public is most cordially invited to attend this program.

Pahokee Council To Sponsor Clinic

The Pahokee City Council at a meeting Tuesday night voted to repair the building formerly used as a nursery for colored children and get it ready for use as a clinic for negroes. In the past the clinic at the Pahokee Migratory labor camp has been used in the treatment of negro V-D cases but since reconversion of the camp for use by white residents the clinic is no longer available to negroes and a new location had to be found. The city will furnish electricity and water at the new location.

City Clerk W. P. Walker was instructed to purchase a two-inch line water meter for the Pahokee State Farmers Market.

MOVE FROM GLADES

Mr. and Mrs. A. E. Altman and family moved this week to a new home and farm. They purchased near Williston, Fla. The Altmans have been residents of the Canal Point section for many years and their friends in this area regret to lose them as citizens. The Everglades News wishes them health, happiness and prosperity in their new home.

Holland Becomes A Senate Candidate

Former Governor Spessard Holland of Bartow became a bona fide candidate for the U. S. Senate this week when he signed the oath of qualification and paid his \$500 fee to the secretary of state. Holland seeks Democratic nomination to the senate seat from which Charles O. Andrews will retire at the end of his term.

White Families Are Back In Labor Camp

During the two weeks of operation since the transfer of the Bahamian negro laborers in this vicinity, there are now 40 white families occupying the cottages in the Pahokee migratory labor camp. There are 110 cottages in the camp. The Bahamian negro laborers are now housed in camps for negro laborers.

The camp can only be used for migrant farm laborers coming to this section from out of state. For the past two years the camp has been used to house imported migrant agricultural laborers.

Bank of Pahokee In Steady Growth Late Report Shows

Palm Beach County's Oldest Financial Institution—the Bank of Pahokee—shows steady and healthy growth in a statement of condition published at the call of the state comptroller on Dec. 31, 1945. With nearly as much money on deposit at the end of the year as was on deposit at the close of the season last year, bank officials are pleased with this season's business and the continued growth of deposits. Deposits on Dec. 31, 1945 amounted to more than four million dollars.

Capital stock of the bank is \$50,000 with \$100,000 surplus and undivided profits and reserve of more than \$64,000. A dividend of more than \$5,000 was paid the first of the year.

The Pahokee institution owns more than a million in government bonds and loans are a little more than a million while cash on hand and due from banks runs over the two million mark.

President H. M. McIntosh is well pleased with the season's business thus far and is naturally happy over the steady increase in deposits. Other officers of the bank are: Rupert Mock, vice president; Gene McMillain, cashier and Nancy Jo Handley, assistant cashier.

Blue Devil Net Squads Will Meet Ft. Pierce Teams

Pahokee Blue Devil Net Squads will encounter the Fort Pierce Eagles in a double header on the local court tonight, Jan. 11. The first works start with the girls game at 7:30 and the boys game following this tilt.

So far this season the Blue Devil boys team has won over the strong West Palm Beach Wildcats and lost to Redland. On Friday night's game a real thriller is in store for basket ball fans of Pahokee and the Glades area as the Devils will play their best to avenge the trouncing received from the Eagles in a foot ball contest last fall.

To date this season Wilbur Geiger, guard, has been the offensive star of the team, hitting the hoop with regularity as well as playing an outstanding floor game. Kvie Hatfield and Donald Smith are the defensive stars, getting most of the rebounds and breaking up the passes. Basil Todd and Lynn Walker round out Coach Brown's first string quintet with steady playing, offensively and defensively.

George Royal Named Director of First National, Palm Beach

George L. Royal of Belle Glade was elected a director of the First National Bank in Palm Beach at the annual stockholders meeting held Tuesday. Mr. Royal is a successful merchant in the Glades area, owning a number of general merchandise and department stores in Belle Glade, Lake Harbor, Clewiston, Canal Point, South Bay and Indiantown. His 16 years in the Everglades has won him a host of friends. Mr. Royal is married and has two boys.

Sonny Cochran Back To Army for 3 Years

Cpl. Claude (Sonny) Cochran, who recently returned to the U. S. from overseas duty in Korea, is visiting his brother-in-law and sister, Mr. and Mrs. Horace Unwin and other relatives in Pahokee while on a 30 day furlough. Cpl. Cochran has re-enlisted for an additional three years of service in the army.

Income Tax Time Is At Hand Again

1. What Federal tax form must be filed by January 15th? Your 1945 Declaration of Estimated Tax (or an amendment of your 1945 Declaration).

2. Does everyone have to file a Declaration? No. This filing should not be confused with the regular time for filing annual income tax returns, which must be filed not later than March 15th.

3. Who does have to file January 15? Three groups as follows: (a) farmers, (b) persons who filed a 1945 Declaration of Estimated Tax, but wish to change their estimates, (c) persons who should have filed a 1945 Declaration but have failed to do so.

4. Did everybody have to file a 1945 Declaration? No, only persons whose wages last year exceeded \$5,000 plus \$500 for every exemption except their own and persons who had over \$100 income outside of wages from which tax was withheld (assuming their overall income was at least \$500).

5. What are some examples? A wage earner with a wife and one child has two exemptions besides his own, and if his wages exceed \$6,000 (\$5,000 plus \$500 plus \$500), he had to file a 1945 Declaration. Also required to file were merchants, landlords, lawyers, doctors, and others who received income from which tax was not withheld.

6. Why is January 15 a special date for farmers? Other taxpayers were required to file declarations last March, but the law spe-

cifically permitted farmers to wait until the next January 15.

Mr. and Mrs. Charles Kennen had as guests the past week Mr. and Mrs. Ollie (Mack) Murphy of Miami.

Donald Padgett, who recently completed his boot training at the San Diego naval base, arrived in Pahokee on Wednesday of last week for a visit with his parents, Mr. and Mrs. Duncan Padgett.

Mr. and Mrs. Joseph Kahn are in New York City this week purchasing the latest in spring styles for Kahn's "First with the New" department store in Pahokee.

M-St. Jordan Parker of Alexandria, Va., was the guest this week of his brother, Joe Parker and family in Canal Point.

Miss Mae Groover of Colorado Springs, Colo., is the guest this week of Mr. and Mrs. Joe Parker in Canal Point.

Jackson's Nephew Narrowly Escaped In Bomber Crash

Charles Fletcher Payne of Lake Placid spent the past week in Pahokee visiting his uncle and aunt, Mr. and Mrs. C. T. Jackson at their home on Bacom Point Road.

Young Payne, a technical sergeant in the Eighth Air Force was in the midst of one of the most hair-raising adventure stories to come out of World War II. A waist gunner on a heavy bomber, he was on a mission over Europe on March 18, 1943. In closing a gap in the formation two of the bombers, Sgt. Payne's plane and one following, collided and crashed to the ground about 60 miles north of Paris.

Sgt. Payne was the only member of his crew who saw the impending collision and he was unable to warn his pilot because the bomber's communication system was out of order and of the 20 men making up the two crews, he was the only one able to free himself and parachute to the ground. Landing near a French town he was hidden in the water tower by the friendly residents who dug 20 graves indicating to the German patrol when it arrived on scene that all 20 of the men of the two bombers had died in the crash instead of 19.

Though handicapped in traveling by leg injuries, young Payne was spirited across France by the French underground into Spain where he was thrown into an internment camp by the Spaniards. Later he got in touch with an American consul who got him released from the camp and made arrangements for his passage back to the United States.

THE OLD JUDGE SAYS...

ART: "Saw you at the movies last night, Judge. That was quite a weekend that alcohol went through, wasn't it?"

OLD JUDGE: "Sure was, but I'm afraid most people won't really understand it."

ART: "What do you mean, Judge?"

OLD JUDGE: "Simply this. That poor chap was really a sick man...not just a drunk. Studies by famous psychiatrists and the medical profession show that alcoholism is not caused by a craving for alcohol...it is usually the result of some deep-rooted social, physical or emotional condition. If that fel-

low had not turned to alcohol for escape, he would have turned to something else."

ART: "Are there many that get in that condition, Judge?"

OLD JUDGE: "Fortunately not, Art. Scientists at a great university have stated that approximately 95% of the people who drink do so sensibly. Only 5% are immoderate at times. In that 5% is the small number known as alcoholics. And the beverage distilling industry which does not want a single person to use its product immoderately, is co-operating fully in the solution of this problem."

A "Look at the Books"

OR

"A Finger in the Pie"?

Which is the UAW-CIO really after? Is it seeking facts—or new economic power? Does it want to know things—or run things?

These questions concern you as well as General Motors.

For years the facts about General Motors have been made public.

In spite of this, the UAW-CIO demands a chance to look at our books, with the hint that we could meet Union demands "if the truth were really known."

We have firmly declined to recognize this as a basis for bargaining:

1. The Full Facts are Published

How much General Motors takes in each year—how much it pays employees—how much it pays to stockholders—how much it pays in taxes—how much net profit we make—and many other facts are plainly stated in annual reports and quarterly reports.

These are broadcast to 425,000 stockholders from coast to coast—sent to newspapers and libraries. Additional copies are free for the asking.

2. All Figures are Thoroughly Checked

Every General Motors annual statement is audited by outside auditors. Similar figures are filed with the Securities & Exchange Commission.

Does the UAW-CIO honestly believe that General Motors would or could deceive these experts?

3. Basis of Collective Bargaining Is Defined

The Wagner Act lays down the rules for collective bargaining. These cover such areas as rates of pay, hours of work, working conditions.

No mention is made of earnings, prices, sales volume, taxes and the like. These are recognized as the problems of management.

4. Something New has been Added

The obvious fact is that the UAW-CIO has gone beyond its rights under the law—and is reaching not for information but for new power—not for a look at past figures, but for the power to sit in on forecasting and planning the future.

A "look at the books" is a clever catch phrase intended as an opening wedge whereby Unions hope to pry their way into the whole field of management.

It leads surely to the day when Union bosses, under threat of strike, will demand the right to tell *what* we can make, *when* we can make it, *where* we can make it, and how much we must charge *you*—all with an eye on what labor can *take out* of the business, rather than on the *value* that goes into the product.

5. This Threatens All Business

If the Union can do this in the case of General Motors, it can do it to every business in this land of ours.

Is this just imagination? Union spokesmen have said, "The Union has stated time after time that this issue is bigger than just an ordinary wage argument, that it is bigger than the Corporation and bigger than the Union."

For Labor Unions to use the monopolistic power of their vast membership to extend the scope of wage negotiations to include more than wages, hours and working conditions is the first step toward handing the management of business over to the Union bosses.

We therefore reject the idea of a "look at the books" not because we have anything to hide but because the *idea itself* hides a threat to GM to all business, and to you, the public.

Ralph Maxson, chief petty officer, 1-c, was released from the navy at Jacksonville on Jan. 2 and is now at the home of his parents, Mr. and Mrs. N. V. Maxson in Canal Point. He was in the service three and one-half years and is credited with 10 months overseas duty.

Mr. and Mrs. Maxson had three other sons in the armed services during the war. Leonard and Roy, both technical sergeants in the AAF, received their discharges several weeks ago. Phillip, chief petty officer, still is in the navy and now is serving on a carrier in the Pacific.

Ferry Duke, seaman, 1-c, has received his discharge from the navy at the naval hospital in Key West where he has been receiving treatment for battle fatigue. He was in service 18 months and was on overseas duty 11 months on the USS New York.

Claude Jones, radarman 1-c, has been released from the navy and plans to make his home in Pahokee. Claude was in the service 37 months and on overseas duty in the Pacific area for 27 months. He has five ribbons, seven battle stars and the Good Conduct medal.

Charlie Crews is home with a discharge after 31 months service with the navy. He spent 17 months of his time overseas. He was in the battles of Leyte, Mindoro, Luzon, Iwo Jima, Okinawa, Ie Shima, the second battle of the Philippine Sea and the occupation of Japan. He received his discharge at Jacksonville on Jan. 8, 1946.

Banquet For Grid Teams Is Planned

Pahokee Lions at their Tuesday meeting discussed plans for their annual banquet honoring Pahokee and Belle Glade foot ball teams. Jimmy Wilson and Steve Brown were named on the committee in charge of arrangements. Brown announced that the date of the banquet will be set as soon as a suitable speaker can be obtained.

Harry Wilson, J. H. Brown and Dr. A. Hicks of Lake Worth were present at the meeting and told of a carnival which Lake Worth Lions are sponsoring for the benefit of the proposed community club house at Lake Worth. They asked the Pahokee Lions to aid in the sale of tickets.

Guests were Claude Jones, Donald Padgett, Colquitt Davis and Donald Smith, the latter a guest of the student member, Milton Carpenter.

Funeral Services

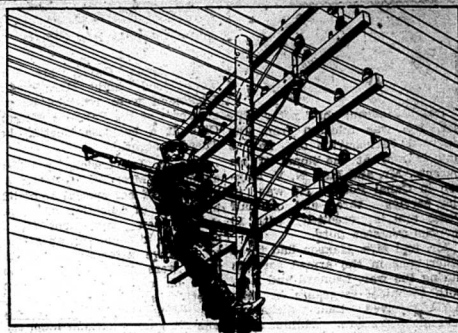

Gordon Walker, Jr., age four months, son of Mr. and Mrs. Gordon (Pop) Walker, former Pahokee residents now living in La-Belle, died at the home of his grandparents, Mr. and Mrs. Albert Herron in Fort Myers on Friday morning of last week. In addition to his parents and grandparents, he is survived by a sister, Barbara Lee.

Funeral services and burial was at Fort Myers on Saturday. Relatives from Pahokee attending the services were Mrs. John A. Dulaney, Mrs. Duncan Padgett and Mrs. C. A. Shive.

CAPACITY CROWDS HEARS FIRST OF SPECIAL SERMONS

Capacity congregations attended last Sunday's service at the First Baptist Church of Pahokee, the first Sunday of the special series of sermons on "A Baptist Church Covenant" and "The Eighteen Baptist Articles of Faith." The first of these "Declaration of Faith of the Scriptures" will be preached this Sunday night. The orchestra, which rendered "Abide With Me" so beautifully last Sunday night, will present another special. The Intermediate and Adult choirs will sing, augmenting the "Illuminated Cross Meditation Sing." The Class quartet will sing. The Training Union will convene at 6:30, with a special program by Associate Director Mrs. W. M. DuBose.

Charles F. Coe, speaking before a meeting of Seminole Chapter, Daughters of the American Revolution recently, said that in his opinion every session of a world conference should be opened with the reading of the Sermon on the Mount. He said, "Unless the entire world has a spiritual rebirth, and we, who have the advantages of a high type of civilization and culture are willing to share this heritage with those who are still groping in darkness, there is no great hope for the future." Coincident with this, unknowingly, Rev. Moberg last Sunday began a series of sermons on this, the sermon of sermons from the lips of Jesus Himself. "The Beatitudes" was the subject and continuing next Sunday morning the pastor will speak on "Salt." The Ladies' quartet will sing. The Adult choir will present "Jesus Saves." Last Sunday's Bible School attendance was just a little short of the mark of average attendance for 1946, missing by 19, with 231 present. It is requested that every member and friend of the church cooperate in this worthy endeavor.

More and Better Long Distance Service

As a result of the continued heavy volume of long distance calls you may at times experience delays in completing your calls. However we are on our way to give you more and better long distance service than ever before.

We are getting increasing amounts of equipment from manufacturers and new long distance circuits are being added and additional switchboards installed to expand our long distance telephone facilities to meet the South's fast-growing needs.

It's a big job that will take some time and a lot of money to complete. But we are going at it eagerly and efficiently with every resource at our command.

Snoopin' Around The Village

(By Breezy)

Rambling around town this week we couldn't help but notice how much Pahokee has progressed during the past year or two . . . of course you are taking your life in your own hands when you try to drive some of the streets . . . you can make it alright if you fasten your safety belt and make sure your parachute is properly rigged . . . it looks very much like we are going to have a fine children's playground as soon as more equipment is obtainable—plenty of room there and the grass has been planted, also a little landscaping done . . . we're going to be proud of that Recreation Committee someday—if they keep going.

The United States Engineers have about decided that Pahokee is here to stay . . . they moved one of the fences back far enough so that you can enjoy a little of the lake front . . . we noticed two parties enjoying a lake front picnic Sunday afternoon . . . With a few safety devices installed—that clock will make a fine swimmin' hole this summer . . . plenty of forks used it last summer.

Turning the traffic light back

on has helped to slow the drivers down to a sensible pace . . . of course, some people gripe about that light but they are mostly people who have nowhere to go and nothing to do when they get there . . . the only way to quiet them down is to have somebody run over a child there when school lets out . . . we saw some Yankee catch that light on green (we assume they were Yankees 'cause their tag was issued north of Sand Cut) . . . they just did make the corner on all four . . . one of the local law officers managed to untangle himself from that bench-fire up his horseless carriage and give chase . . . we hope he caught them and that they are reposing under the city jail.

A little while back we heard some interesting talk about zoning the city . . . that is a sure sign of progress and we certainly hope it has not died out or run into a political block . . . We are on the threshold of a big building program, in this city, and we hope the Zoning Board does not pop up at the last minute with a lot of restrictions that will upset everybody's plans.

It sure seems good to have Ed and Jack back in the Pahokee Post Office . . . not that the Girls didn't do a good job while Ed and

Jack were away . . . We just like to see the boys getting back—you don't have to look at them more than once to know that they are very glad to be back.

Bible Class Has Good Attendance

The Pahokee Men's Bible Class enjoyed capacity attendance last Sunday, thanks to the good weather and visit of many recently discharged service men. The teacher, Rev. C. A. Moberg, made practical the lesson of Moses and the children of Israel, placing the class in like position. It was stated that the group is enjoying success because of the fine state of harmony that has and does prevail throughout the membership. The 'Go Forward' leadership of Moses and the 'Godly Fellowship' of the Israelites, despite certain handicaps common to man, resulted in final victory. Rev. Moberg presented some few possibilities of the class as yet untouched, and saw no reason why these should fall short of attainment. This theme will be continued this Sunday.

The Class Quartet will present two selections, with Gary Sanders at the piano. Messrs. Thurmond Knight and Leo Wroten are the official greeters, and should one fail to receive a handshake from either

of these, let it be known and the 'guilty greeter' shall act as host at one of our soda fountains at the behest of the 'victim'. A most cordial invitation is extended to all unaffiliated men of our community, service men in or out of uniform and civilian visitors. The class meets each Sunday in the Lions' building at 9:45.

Mrs. H. D. Fields, Jr., (Ornelma Justice) is expected to arrive from California within the next few days and will make her home in Pahokee while her husband, Ensign Fields, is on duty in the Pacific theater. Stewart Staples of Greenport, L. I., is visiting his sister, Mrs. H. J. Anderson in Pahokee.

Declaration of Baptist Faith

Article 1 — of the Scriptures

"We believe that the Holy Bible was written by men divinely inspired, and is a perfect treasure of Heavenly instruction; that it has God for its author, salvation for its end, and truth without any mixture of error for its matter; that it reveals the principles by which God will judge us; and therefore is, and shall remain to the end of the world, the true center of Christian union, and the supreme standard by which all human conduct, creeds and opinions shall be tried."
